Thanks much. We are working with a service in England in this recommended to me by Freshfields, a UK firm with which we are well familiar, and the Freshfield lawyers are willing to help where we need. (By the way, at some point before you start using the firm, you should think about tax consequences.)

Due to a typo, I asked for father's name first 2 letters when it should have been 3 first letters. Please send the next letter. Will await the utility bill from Nili.

Best,
Menachem

Ehud,
You may recall we met a number of years ago in connection with a prospective formation of a real estate fund. I trust you are well.

Rami asked me to help out in your wish to form a UK company. I understand you wish the company to be a subsidiary of Hyperion. I assume you will be Newco's sole director (this can be changed later).

In the meantime, we require the following information/documents:

1. Your phone number
2. A second choice of Company name
3. Answers to any 3 of the following questions:
    i. Town of Birth (first 3 letters)
    ii. Telephone number (last 3 digits)
    iii. National Insurance number (last 3 characters)
    iv. Passport number (last 3 digits)
    v. Mothers Maiden name (first 3 letters)
    vi. Eye color (first 3 letters)
    vii. Fathers first name (first 2 letters)
4. A copy of photo ID with current home address (e.g. (i) driver's license or (ii) passport photo page plus utility bill or bank statement)

Best wishes,
Menacham
